

Tidmarsh with Sulham Parish Council

April 2020

Dear Resident,

The Parish Council recognises the unprecedented circumstances surrounding the covid19 pandemic and are staying up to date with developments. The Council wants you to know that we remain dedicated to supporting our community, but require your help.

- If you are in need of help then please contact us and we will do our best to resolve the problem. If we cannot help, we will direct you to another organisation.
- If you are aware of a vulnerable parishioner in need of assistance then please make us aware of the situation. Please do not assume that someone else has checked, and use your local knowledge to check that everyone in your immediate area is coping.
- If you are able to volunteer to help people in Tidmarsh and Sulham with shopping and/or collecting prescriptions then please register with the Tidmarsh and Sulham volunteer group via **covid19.tidmarshwithsulham@gmail.com**

Two of our Councillors are acting as key contacts:

Cllr Andrew Madden – 0118 984 1190

Cllr Colin Pawson – 0118 984 2619

Alternatively, you can contact the Parish Clerk, Jennie Currie, on 01635 580 190 or tidmarshwithsulham@gmail.com

You should have received a leaflet from West Berkshire District Council providing details of the new Community Support Hub. We are working with them and if you cannot reach any of the people listed above you can call the West Berkshire Hub on 01635 503579, 7 days a week between 8.30am-4.30pm or email westberksbct@westberks.gov.uk

If you are not affected, we hope that you remain healthy. We encourage all parishioners to act according to the official UK government advice at www.gov.uk/coronavirus and to check the Council's website www.tidmarshwithsulham.co.uk for details of forthcoming meetings and updates.

A final request is for everyone to consider their neighbours. If you believe that there might be somebody stuck at home and they are not receiving support then please try to contact them whilst maintaining social distancing measures. If you do not manage to speak to them, you can contact Thames Valley Police by calling 101 who will carry out a welfare check.

We are grateful to those who engage with us, and those who continue to follow the government advice.

Yours sincerely,

Tidmarsh with Sulham Parish Council
