MC25/72 Declarations of Interests

No declarations of interests were received.

MC25/73 Refer to the task list –

1. southern boundary – SB is referring to the deeds and will report back. Possibly the wooden fence is the boundary line. Not sure about the barbed wire fence. JP wants specifics as to where the boundary is and for it to be agreed, as a trustee. Only person who is possibly concerned with barbed wire is Jon Murby as it could catch in mower arm. Barbed wire is possibly deterrent to stop people trespassing into adjoining homes and noise nuisance. SB
2. Hedgerow light trim completed
3. JM advised wooden play equipment treatment due to be done when wood is dry. Rotten elements should be replaced
4. Review ROSPA stipulations as very expensive etc – check if alternative certified person
5. Christmas tree is still with MF.
6. Events – VE day 8th May; band booked, Greyhound will do a mobile pub. There will be a firepit and H & S is being organised by BW.
7. SE suggested that more daffodils should be planted. Need to be purchased and JM will plant. Add more over time.
SE will buy the bulbs.
